

**New Milford High School Marching Band
2009-2010 Band Uniform Contract**

Dear Parents,

Please go over this form with your band student(s) regarding the care of our band uniforms. We appreciate your help and support in maintaining the uniforms for many years to come.

1. Uniform pants must be properly hemmed before the first event. This prevents the back of the pant hem from dragging in the dirt. Taping, ironing, fabric gluing or iron hemming is not permitted. Pant hems may NOT be shortened by cutting, please just turn under the excess and tack or sew the excess in place. **Please return hemmed pants by 8/21.**
2. Jacket sleeves should be adjusted by using the snaps inside the sleeve. If the sleeve is still too long, do NOT cut the sleeve. Fold up the excess and tack or sew.
3. Absolutely NO jeans are to be worn under the uniform pants
4. If something is spilled on the uniform, or the band student notices a stain, please alert one of the adult chaperones so the uniform may be laundered as soon as possible.
5. If the uniform is damp from rain or weather conditions, please do NOT zip the uniform bag. Air needs to circulate to allow the uniform to dry.
6. When the uniform is not being worn, it should be hung up in this manner: Pants properly creased and hanging over the wooden bar of the suit hanger. Students, this means place the seams together on the inside and the outside of the pants, and place in the center of the hanger when you are done. The jacket should be placed on the hanger with the shoulders seams lined up with the hanger, zipped and snapped, with both sleeves hanging to the sides.
7. Uniform shoes are NOT to be stored in the garment bag with the uniform.
8. While wearing the New Milford High School Band uniform my son/daughter will conduct themselves in a professional and adult manner.
9. My son/daughter will wear and treat the band uniform with respect. We will be financially responsible for any and all damage to the uniform.
10. The uniform replacement cost is as follows: Jacket \$222.43, pants \$113.68, hat \$58.45.

All uniform pieces are the property of New Milford High School. Any damage to the uniform other than normal wear and tear will be your student's responsibility. I ask that you and your student read and sign this contract and return one copy to the Band Parents Box in the band room along with your other papers by 8/14.

Thanks for your help,
Mr. Jonathan Grauer, Band Director
